LB 526, 730-743
LR 148, LB 529

SENATOR WARNER: No, down there I would prefer to retain it because I think there will be occasions where the Legislature will be wanting to look ahead two years rather than just one year and the authorization of new programs, etc., but I will check to make sure that this doesn't...

SENATOR MURPHY: Fine.

PRESIDENT: Any further discussion? Any close, Senator Warner?

SENATOR WARNER: No.

PRESIDENT: The question then is shall this bill be advanced as amended? Record your vote. Have you all voted? Record.

CLERK: 31 ayes, 0 nays, Mr. President.

PRESIDENT: The bill is advanced. Is Senator Brennan returned? Yes, he's returned. LB 529. Yes, we're going to read some things first, Senator Brennan.

CLERK: Mr. President, new bills. Read LB 730-743. Mr. President, Senator Stoney asked unanimous consent to print amendments to LB 21 in the legislative Journal. Mr. President, I have LR 148 ready for your signature.

PRESIDENT: While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LR 148, that's for Keith Boughn. Do you have anything further, Mr. Clerk?

CLERK: Nothing further, Mr. President.

PRESIDENT: All right. Would you bring us up to date on LB 529, please.

CLERK: Mr. President, (Read title to LB 529). Mr. President, it was first read on April 5, 1977, and was referred to the Business and Labor Committee. There are pending, Mr. President, Committee amendments.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, I move that the Committee amendments be adopted. I would like to call your attention that the report is signed by Senator Richard Lewis but it should be Richard Maresh. You can see my signature down below which is an error. The Committee amendments define what number 1 plastic surgery shall mean. That branch of surgery is concerned with the repair and restoration of lost, injured or deformed body parts chiefly by transfer of tissue and the number 2 is the reconstructive surgery shall mean surgery which restores or tends to restore an injured or deformed structure. It was felt by the Committee that we should spell out that plastic surgery shall not mean cosmetic surgery so that's the reason for the Committee amendments so I move that these Committee amendments be adopted.

PRESIDENT: Any further discussion on the Committee amendments? Alright, record your vote. Please vote. Record.
